

Gianetti | 45

The Gianetti 45 is a luxury motor yacht designed and built by the Italian shipyard Gianetti Yachts. Here are some key features:

Design and Construction

Designer: The Gianetti 45 is designed by renowned Italian naval architects known for their elegant and functional lines.

Materials: The hull and deck are typically made of high-quality fiberglass, with carbon fiber reinforcements in critical areas for added strength and lightness

Dimensions: The yacht has an overall length (LOA) of about 45 feet (13.7 meters), a beam of approximately 4 meters, and a variable draft depending on the keel configuration, typically around 2 meters.

Interior Layout Cabins: The interior can be configured in various ways, but generally features 3 double cabins—one forward and two aft—all equipped with comfortable beds and ample storage space. Saloon: The spacious saloon offers a luxurious seating area with a dining table, ideal for socializing and relaxation. Galley: The fully equipped galley includes modern appliances such as a stove, oven, refrigerator, and ample counter space. Bathrooms: There are usually two well-appointed bathrooms, each with a shower, sink, and toilet.

Performance and Equipment

Engines: The Gianetti 45 is powered by twin diesel engines, providing excellent performance and reliability at sea.

Navigation: The yacht is equipped with state-of-the-art navigation and communication systems, ensuring safe and efficient travel.

Comfort: Features such as air conditioning, heating, and entertainment systems enhance onboard comfort for extended cruises.

Technical Specification

Model	Gianetti 45 sport
Constructor	Gianetti S.r.l
Engines	2 x 450 hp 30 Kn
Max speed	13,60 mt - 45 ft
Lenght overall	3,95 mt - 11 ft 12
Maximum beam	2+1 2 1 5
Safe capacity people	
cabins	
wc	
Kitchen	
Berths
