

YACHT TENDER | RIB 780

For those who want to avoid the summer traffic and reach in a short time destinations like Nerano or Positano to maybe enjoy a great lunch in the restaurant or a dip in the Amalfi coast, we propose the ideal solution, fast and suitable for everyone.

The 780 dinghy is the ideal solution both for simple transfers and for those who do not want to give up a wonderful day on board to dive into the crystal clear water of Capri or to admire the enchanting coast of Positano and Amalfi with family or with their partner.
